THINGS TO BRING

PROJECT RELATED

Be ready to raid your grandparents wardrobe or the closest second hand shop! Maybe a trip to a flea market looking for a bargain?

Bring a few pieces of clothing that you think might be fitting for this project. This will become part of a common wardrobe that anyone could use (so **do not bring anything you won't be happy taking apart or leaving behind when you leave**).

This applies not only to clothes, but any other type of material that could be used in this context, like cosmetics (make-up, fake moustaches, wigs) used for theatrical purposes, old carnival costumes, props or fabrics laying around.

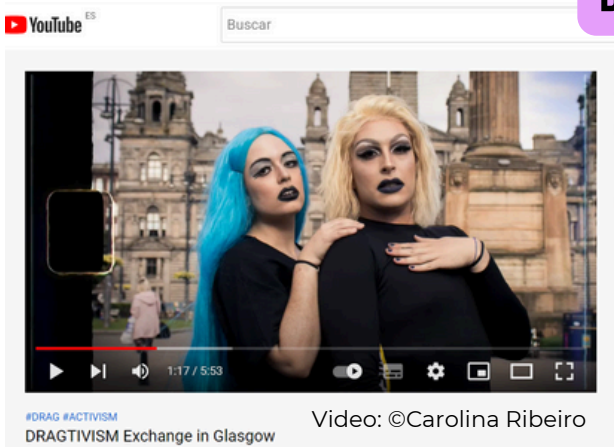

Of course, you are welcome to bring anything for yourself that you would like it to be of your own exclusive use. But we still ask you to bring some stuff for everyone, if you can. It is a great opportunity to do a bit of a cleaning in the flat or ask for donations to friends and family.
